Scripture Passage:

Sermon Title:

What do you remember most in today's sermon?

How might you use it this week?

Was there communion today?

What did you like about it?

What didn't you like about it?

What songs did you sing today?

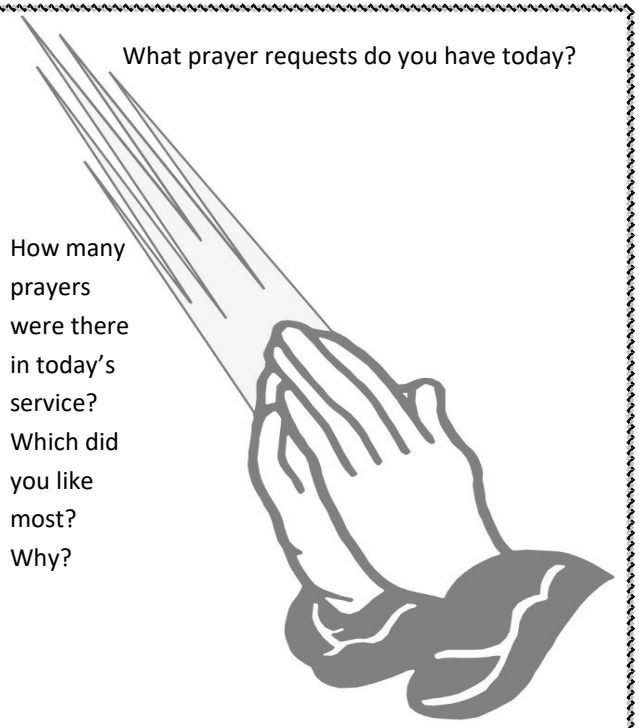
Which was your favorite? Why?

Which parts of the service did you already have memorized? Why do you think these pieces are included so often?

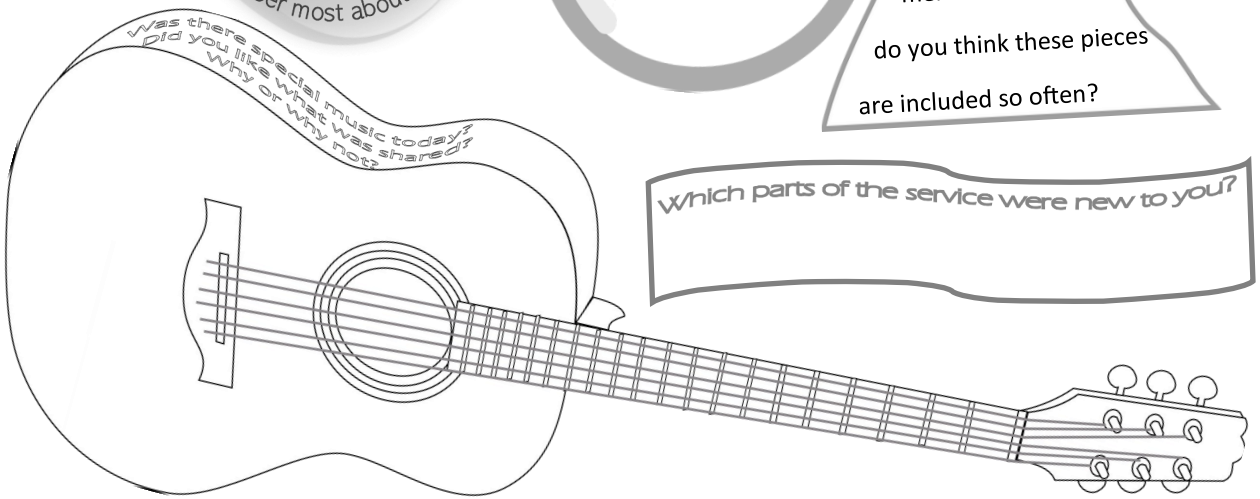
Was someone baptized today? What do you remember most about this part of the service?

What prayer requests do you have today?

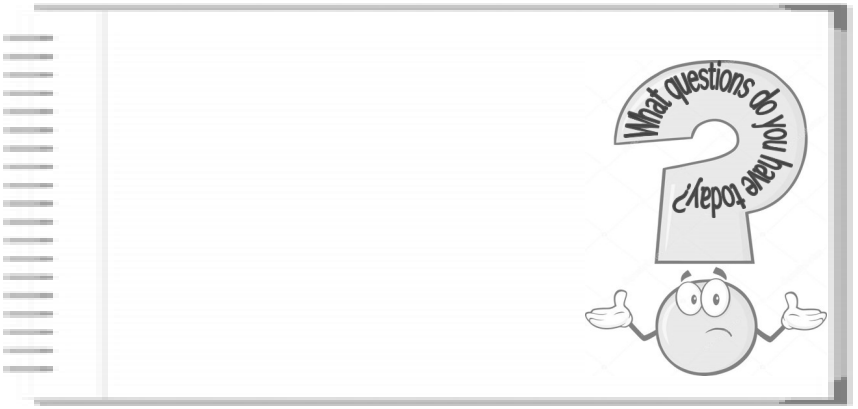
How many prayers were there in today's service? Which did you like most? Why?



Was there special music today? Did you like what was shared? Why or why not?



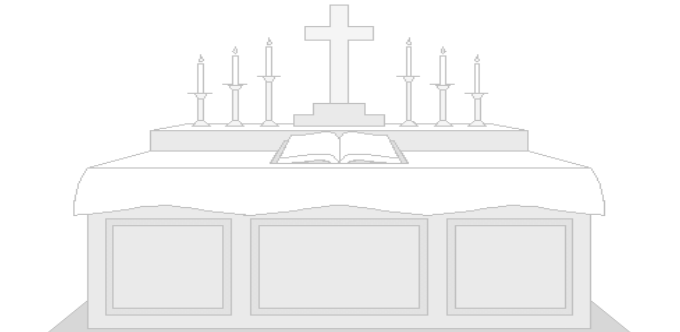
Which parts of the service were new to you?



If you could have led part of today's service, which part(s) would you choose? Why?

*What will you remember about today's service?*

Today's Date is:



What color cloth is on the communion table today?

What do you think that color means?

Do you see any new faces today? What can you do to make them feel welcome?

Are there any banners? Draw them here. Why do you think these were included today?
