

CPMT April 2024 Report

The Chogoria Partnership Ministry Team has three new co-chairs: Kayla Bones, Carrie Lauber, and Jamie Norstog. We thank Sharon Secor for her many years of leading the CPMT. Sharon will still be involved in the committee but will no longer be chair.

We are in the process of transitioning leadership and all that entails. Scholarship money has been dispersed for the 2024 school year.

We have invited our partners to come in October. They will be here for the presbytery meeting if their visas are approved. The group of 9 has their visa interview appointments on April 23. Please pray for a good outcome.
