

**SDOP IN THE NAME OF LOVE**

*(with apologies to The Supremes)*

By SDOP, I am referring to Self-Development Of People, one of the three missions that are funded by One Great Hour Of Sharing. SDOP provides funds to small groups of people who are at the poverty level when they have a project which will lead to increased economic stability.

In 2024, our Presbytery SDOP was able to provide a \$5,000 grant to a group of immigrant farmers who are in a training program on how to farm in the US called The New Roots Cooperative. The money is being used to help a farmer graduating from that program to lease a plot of land and purchase equipment in order to begin farming.

Please *SDOP in the name of love* through giving to One Great Hour of Sharing this Lenten season.

George O'Neill

Chair,

Self-Development Of People for the Presbytery of the Northern Plains
