

Youth Connection Report
Fall Presbytery Meeting
October 10, 2026

We had to postpone our fall retreat due to the small number of attendees as well as not enough leader/chaperones for the event. We are hoping to reschedule to late January 2027.

If you have not filled out the youth engagement survey that the Presbytery office sent out via email to churches, please help us gather more information by filling out the survey.

We are trying to identify churches with youth, those that are interested in attending Presbytery wide youth retreats, and if churches are hearing about YCT events, as we don't want youth to miss out on opportunities to gather together to grow their faith in Jesus Christ.

We are also interested in including more churches or individuals in our YCT planning team. We meet once a month on the 3rd Tuesday of the month to plan Presbytery YCT events.

I have been serving as interim leader until we find a permanent person to lead the team. If you feel called to this position either reach out to me, Donna Preston, or Rusty Bender, nominating chair.

Blessings,
Donna Preston
